

*We help our region to compete in the global arena and prepare our young people for success through an appreciation of global fellowship and **cultural diversity** in the classroom and in the workplace!*

Globalcincinnati.org

Our Website is the Tri-State's International Resource

- Connect with global businesses, organizations, and specialists
- Download culture guides to the city
- Read global blogs
- Meet visitors from around the world
- Learn about our education programs for k-adult students
- Learn how to volunteer/intern with us

GET INVOLVED

ONE World Gala—Join fellow thought leaders in the region to compete in global trivia! Winners receive a prize, trophy, and bragging rights!

Volunteer—Opportunities with International visitors or local students through events, home stays, and much more.

Membership—Discounts to events, international publications, networking opportunities, priority volunteering, and global education programs.

Internships— Intern with us to gain experience in international fields and potentially receive college credit.

About Us

Greater Cincinnati's focal point for international education, interaction, and communication.

We promote global competence through:

- Extensive educational outreach programs to students from K through University
- Professional visitor exchange services through the U.S. Department of State
- "GlobalCincinnati.org" website connecting vital community resources
- Informative international programming

Who We Serve: Kindergarteners through Adult Learners; business, academic, and civic leaders; and the international community.

PROGRAMS & SERVICES

Education Programs — increasing global competence for Greater Cincinnati's students from K through University.

Global Visitor Programs — funded by the U.S. Department of State, seeks to build mutual understanding between the U.S. and other nations, help international students build their networking skills and prepare for the global market and much more.

ONE World, GALA — GCWAC's annual global fundraiser with dinner and international trivia.

Volunteer Opportunities — host a meal, meeting, or provide lodging for visiting professionals and university students.

Global Gaggle Speakers — Exchange dialogue and listen to International leaders speak about pressing issues that affect us all.
