

ONE WORLD GALA & Global Trivia Game

creating tomorrow's global leaders

IT'S A WORLD OF LEARNING!

2024

will you play your part in student success?

Your sponsorship of the 11th annual One World Gala & Global Trivia Competition, an evening with dinner, international trivia, fun, & learning helps to inspire students with a world of learning. It is the most exciting gala in town and an evening where 'Jeopardy' meets 'Where in the World is Carmen Sandiego'. As our organization's vital annual fundraiser, we strive to connect our community with the full potential of embracing a truly global perspective and community building activity.

The World Affairs Council is Greater Cincinnati's focal point for international education, interaction, and communication. We help our region to compete in the global arena and prepare our young people for success through an appreciation of global fellowship and cultural diversity in the classroom and in the workplace.

Your sponsorship goes directly towards our community outreach and global learning initiatives including global summer camp, educator workshops, & the International Education Summit. The gala supports our most unique programming for the community.

The Council is the only organization in the Greater Cincinnati focused on global learning opportunities for students. There are many ways for you to get involved through sponsorship opportunities supporting our schools and community. We hope you will play part in student success.

Over 100 years of proven success

One of the teachers said it best, "our programs have been a platform for students to be able to connect what they are learning in school to the world around them."
